National Scout Organization/Association Approval and Certification

The Safe from Harm Check is a requirement that applies to anyone involved in the leadership of the Scouting movement. It is the right and responsibility of the NSO to undertake diligence and implement necessary screening to ensure full clearance of the applicant in any matter related to child and youth protection.

By checking the box above, the applicant's NSO confirms that a Safe from Harm Check was implemented, a suitable background check in accordance with national guidelines and legislation was made, references were verified, and an interview was conducted. Thus, the candidate is fully supported by their NSO.
